Bettany reveals that there was in the spotlight the scarlet witch, looking for the body of the vision in the necrot ©rio - which could set up any magical ability or reality she is using to bring him back to the life. The original MCU's ©rie, the first of the Disney + studio, is full of mist ©rios - with Elizabeth Olsen's vision and scarlet witch live life in a Bizarre Sitcom bubble just filled with fear. doesn't need one. But as Avengers: Endgame doesn't have a p's-crÄ ©scene said, it is still worth sitting down at the end (if your bladder can wait a few more minutes). Even the theaters seem relieved, using it as an excuse to clean up the fastest audience so they can show the movie as quickly as possible. Something went wrong. Note that it is interesting to hear a scene of ³-crÄä ©said it was apparently this close to make the cut, especially since the directors Endgame The Russian brothers spoke to ³ the release of the film and explained that they did not add a post CrÄä ©said because the endgame represented the end of the McU saga at that point.

That's almost certainly the sound of Tony Stark forging Mark I Armor in the cave during the events of Iron Man in 2008. As for this lost ³ scene @endgame that will tie it all together? It's not part of the music, and it's just weak enough that you don't almost notice turning out of your theater. Think of the first revelation of Thanos in the so-called Avengers' m @dios, followed by the exhausted shwarma eating scene for the ³-s. In an interview with IMDB, Star Paul Bettany (who plays the video) revealed that he was originally to appear ³ the video clips spoken in the endgame with a final tag scene that would help set up WandaVision events. You can't read more of your work here. Although the events of the avengers: Endgame brought back a lot of people, the view of Paul Bettany, unfortunately, did not survive)(s)(s)(s sahlatab Thanos. After that three hour runtime, and plenty of satisfying (and exhausting) emotional pyrotechnics to go with the cosmic ones, Endqame had nothing to gain by adding anything else. read more €AAA Complete Guide to Marvel and MCU Easter Eggs in Avengers: Endgame If you listen very carefully as Alan Silvestri€AAA's score fades out, you can hear a faint clanging sound. Avengers: Endgame finishes on some powerful notes, whether it€AAA's Tony Starke€AAA's funeral or the final fate of Steve Rogers.Á ¯and it€AAA's an effective conclusion to Marvel Studios€AAA 22 film €AAAInfinity Saga€AAA which saw the formation of the Avengers and Thanos€AAA rise to near-godhood.Á ¯Teasing the Fantastic Four or the eventual arrival of Galactus or the first hints of the existence of mutants would only cheapen that accomplishment. The rest is, well, mysterious sitcom homages. Place your bets on what the first end credits scene will be when MCU Phase 4 kicks off down in the comments. Mike Cecchini is the Editor in Chief of Den of Geek. It€AAA's a subtle final tribute to the hero who made the MCU possible, and a reminder of how far the MCU story has come over the last 11 years. By now, you€AAAÁve probably heard that there is no mid credits scene or post credits scene in Avengers: Endgame. Follow him on Twitter @wayoutstuff. Since the practice was first introduced in 2008 with Iron Man, where a surprised Tony Stark finds Nick Fury waiting for him in his office wanting to talk about something called €AAAthe Avenger initiative.€AAA Marvel€AAA's post credits scenes have been a staple, sometimes even a highlight, of their blockbuster assembly line. "[Marvel Studios€AAA Kevin [Feige] kind of talked to me and said, 'I've got to pull the shots.' And I was like, 'Ugh!'
